This is an electronic transcript of study records.

The courses included in the study module have been placed indented beneath it. If the study module is not completed, the courses passed with approval are marked with a minus sign (-).

Credits of the Study Modules are not included in the total amount of credits, except *-marked modules.

List of abbreviations

C Credit

Credits are based on the European credit Transfer System (ECTS). The Bachelor's degree consists of 180 credits and the Master's degree of 120 credits. The only exception is the Master of Psychology degree, which consists of 150 credits. The extent of the Licentiate in Medicine degree is 360 credits and the Licentiate in Dentistry degree 300, or 330 credits. The normative yearly amount of studies is 60 credits, thus the Bachelor's degree can be completed in three academic years and the Master's degree in two.

Lectures, assignments, and other forms of instruction as well as independent study are included in the approximate amount of 27 hours required for one credit.

L Level of studies

Y General Studies, **P** Basic Studies, **A** Intermediate Studies, **S** Advanced Studies, **J** Postgraduate Studies, **K** Language studies, **V** Preparatory studies, **H** Practical Training, **O** Study Module

Grade Grades are classified as follows:

	Grade	ECTS	Thesis
Excellent	5	A	L
Very good	4	B	E, M
Good	3	C	C
