Total 22500

Researchers, research environment and mobility (justification for the tentative budget)

The applicant will make short visits to social scientific institutions hosting research relevant to the project. The list of these institutions include University of Lausanne, University of Essex, Oxford University (Saïd Business school), University of New South Wales, Yale University. The applicant will also visit relevant social scientific institutions in Turin, Rome, and Milan to accomplish empirical research in these sites. Each of these visits are scheduled to last no longer than two weeks. The exact scheduling of the mobility will accomplish in coherence with the advancement of the theoretical research work and also depending on the situation at the hosting institutions.
