

# CURRICULUM VITAE

- 1. Full names:** Matti Keijo Kustaa Vuorinen [Homepage](#)
- 2. Date and place of birth:** November 6, 1948, Turku, Finland
- 3. Current position:** Professor of Mathematics, University of Turku, 2003–  
Employed by the University of Helsinki and Academy of Finland 1972–2003.
- 4. Editorial board membership.**

1. Editorial Board Member of [CMFT Journal](#) (2001-), ISSN 1617–9447 (Springer).
2. Journal of Inequalities in Pure and Applied Mathematics (1999-2010), ISSN 1443–5756.
3. Journal of Analysis (2009-), ISSN 0971–3611.
4. Advisory Committee Member of The Journal of the Indian Academy of Mathematics (2009-2011), ISSN 0970–5120.
5. Editorial Board Member of [Journal of Inequalities and Applications](#), 2010-2012, ISSN 1025–5834, E-ISSN 1029–242X . (Springer)
6. Editorial Board Member of Bulletin of Mathematical Analysis and Applications, 2010-, ISSN 1821–1291
7. Editorial Board Member of [Tbilisi Mathematical Journal](#), 2011-, E-ISSN 1512-0139
8. Editorial Board Member of Journal of Classical Analysis, 2011-, ISSN 848-5979 (print), 1848-5987 (online), <http://jca.ele-math.com/editorial>
9. Editorial Board Member of Issues of Analysis, 2012-, ISSN 2306-3424 (Print), 2306-3432 (Online) <http://issuesofanalysis.petrstu.ru/index.php>

## 5. Other academic and professional activities:

Plenary/invited lectures in many international conferences, colloquia, and workshops (e.g. Holon, Israel, May 2017, St. Petersburg, Russia, Oct. 2016, Sendai, Aug. 2016, Bucharest, June 2016, Changsha, China, May 2016, Cincinnati, OH, May 2015, Warsaw, 2015, Kharagpur, India, 2014, Lubbock, TX, 2014, Chelm, Poland, 2014, Volgograd, Russia 2014, Copenhagen 2013, Shantou, China 2013, Ploiesti, Romania June 2012, Chennai, India, August 2010, Chennai, India, December 2009, Alba Iulia, Romania, August 2008, Syracuse, NY, May 2008, Lubbock, Texas, November 2007, Bucharest July 2007, Hiroshima, December 2006, Thessaloniki May 2006, Pondicherry, India, January 2006 Cluj-Napoca, Romania August 2005, Tokyo, July 2004, Brasov Aug. 2001.)

Published two research monographs and more than two hundred papers cited more than 1700 times according to MathSciNet in 1976-2016.

Refereed papers for more than thirty journals.

Referee in Finland and abroad for doctoral dissertations (6 times), habilitation theses (3 times, Germany and Poland), applications for promotions and professorships (2-3 annually).

Expert for American research funding organizations NSF and Soros.

Expert for Chilean Research Funding.

Expert for European Union Marie Curie Grants, 2004.

Expert for Marsden Grant Applications (New Zealand), 2007.

Expert for Czech funding organization, 2011.

Expert for Lithuanian funding organization, 2012.

*Scientific leadership.* Leader of several international research projects with about fifty foreign co-authors (from USA, Russia, China, India, Japan, EU countries) and fifteen domestic co-authors.

Organizer of [the Helsinki Analysis Seminar](#) (with Olli Martio) 1990-2016 and of [the Turku Analysis Seminar](#) (with Riku Klén)

Member of Org. Committee, Rolf Nevanlinna Colloquium, Helsinki, August 2000.

Chair of the organizing committee of the International Conference on Complex Analysis and the XII Romanian-Finnish Seminar Aug. 17-21, 2009, Turku, Finland.

Member of Org. Committee of the Internat. Workshop on Harmonic Mappings and Hyperbolic Metrics, Chennai, India, Dec. 10-19, 2009, ICM 2010- Satellite Conference, International Workshop on Harmonic and Quasiconformal Mappings (HQM2010), IIT Madras, August 09-17, 2010.

Member of Scientific Committee of Computational Complex Analysis and Approximation Theory, honoring Professor Nicolas Papamichael, Cyprus, June 05-11, 2011.

Coordinator of National Graduate School in Mathematical Analysis and Logic 1998-2002 (joint school of the following universities: University of Helsinki, Helsinki University of Technology, University of Joensuu, University of Jyväskylä, University of Oulu.)

Subcontractor in an agreement between Nokia Research Center and the University of Helsinki 2000-2004.

**Grants, research positions, and visits:** Institute Mittag-Leffler, Sweden 1977-78, Alexander von Humboldt grant, Germany 1988-89. University of Michigan, Ann Arbor, USA: 1979-80 (12 months), 1983 (6 months), 1991-1992 (12 months). Novosibirsk, Russia 1981 (2 months). Numerous grants from the Academy of Finland since 1979. Junior Research Fellow 1979-1982, Senior Research Fellow 1982-85, Senior Research Fellow 1995-2000, Senior Scientist 1990-91, 2000-2001, 2006-2007 (3 years altogether as Senior Scientist).

**PhD students supervision:** 12 completed in 1997-2013.

**PhD theses under preparation:** Parisa Hariri (2013-).
